

Facts about the Salem High School Volunteer Program:

During the 2008-2009 school year, more than 600 people contributed their time to SHS. The Athletic Program, Music Program and Senior Safe Night were just some of the ways not only the parents contributed but also much of the community.

During this time SHS logged more than 11,000 volunteer hours of service.

Salem High School is a recipient of the NH Partners in Education Blue Ribbon for Achievement Award for exemplary volunteer programs.

Please come help make a difference by Volunteering!

The Mission Of The SHS Volunteer Program

The Volunteer Program works to support the administration and the staff in their efforts to promote the development of strong character, a sense of community, and the exploration of opportunities.

We encourage the volunteer spirit from home and school, working together for mutual benefit between our high school and the community. We strive to foster and facilitate business and community partnerships. The SHS volunteer program consists of groups of dedicated individuals, including parents and students, as well as business members, community members and civic organizations that are all committed to this undertaking.

Welcome To The Salem High School Volunteer Program

There is a strong group of individuals at SHS who make volunteering in our school a part of their everyday life. They may volunteer weekly, monthly, or at other special events. Many help with Salem High School's award winning athletic and music programs. Others want to be a part of the Volunteer Program but have to help from afar by volunteering from home or from work.

However it fits into your lifestyle, we welcome you, the staff appreciates you, and the students applaud your involvement.

Thank you for joining us in enhancing the education of SHS students.

What Are Some Of The Ways I Can Volunteer..?

Help with periodic requests made for volunteer clerical support

Assist with daily phone calls

Assist the CTE Department with various needs

Assist with the music programs

Assist with athletic programs through the Booster Club

Assist with school beautification and

gardening

Bake for staff meetings

Assist with staff appreciation week

Yes, I Want To Volunteer. How Do I Sign Up?

This year it is easier than ever to sign up to help!

All you have to do is send an email to

mbussard@sau57.org

Include your name, phone number, volunteer interest, and availability.

If you don't have a specific area that you prefer, please just say general help. Every minute that you can give

is greatly appreciated. If
